COUNCIL TAX – STUDENT DISREGARD APPLICATION

When is an exemption possible?

If only students live in the property, it may be exempt. This means that no-one has to pay Council Tax for that property.

When is a discount possible?

Council Tax is normally charged on the assumption that two or more people aged 18 or over live in a property. If there is only one adult living there, they can apply for a single person's discount of 25%. However, if anyone aged 18 or over is a student and without them there is only one adult living in the property, you may apply for the same 25% discount.

Who is a student?

- A full time student is defined as someone studying for more than 21 hours a week and more than 24 weeks a year. The course must be higher or further education and last for at least one academic or calendar year.
- A qualifying student is defined as someone under the age of 20, studying for more than three months and at least 12 hours a week, for any qualification up to A-level, Ordinary National Certificate or Ordinary National Diploma standard.
- Please note: Courses in connection with a person's job are not included.

If you qualify under one of the above categories the registry at your college or university will give you a student certificate. You must send this with the application.

What if a student certificate is not available?

Please supply a bespoke headed letter from the educational establishment detailing:

- The full name of the student
- A statement certifying that the person is following/ has followed a course of education as a full time student.
- The date the person became a student and the date the course is expected to end.

What happens if I qualify?

We will send you an adjusted bill showing the appropriate reduction.
