Dear Mr Crotty

### **Petition - Shepherds Close and Parking Issues**

Thank you for your letter addressed to Malcolm Johnston, Executive Director of Resources dated 9 September (received today) concerning the above Petition.

As you have stated, as the Petition did not identify who the lead petitioner was I have been unable to write to advise the position with regard to this petition. That aside, unfortunately this petition is about something over which Rother District Council has no control as parking is a matter for East Sussex County Council and not the District Council.

In the absence of a lead Petition I contacted the local District Ward Members, Councillors Earl and Mrs Gadd to see whether they were aware of the Petition and who had organised it. As you may be aware, Councillor Earl is also an East Sussex County Councillor and I understand from him that he is dealing with the matter and a meeting has been set for Wednesday 25 September with all parties.

Rother District Council will therefore not be taking any further action with regard to this petition.

Please do not hesitate to contact me should you have any concerns or queries.

Regards

Lisa Anderson  
Democratic Services Manager
