

You can now pay for parking by using a credit or debit card by using 'Post Payment'

First park your vehicle then '**Check In**' at a car park payment machine with a valid credit/debit card that has a balance of at least £7.00.

When you leave '**Check Out**', and your card will be debited only with the appropriate charge for the period parked. You can now park without having to decide how long you might need beforehand, but you can still use cash Pay & Display if you wish.

You will need to enter your vehicle registration whichever payment method you use.

Post Payment Method - Debit or Credit Card Only

How to '**Check In**':

- 1 Press the 'CARD' button
- 2 Enter your vehicle registration number on the key pad
- 3 Insert or touch  your debit/credit card to the card reader on the payment machine and follow the on-screen instructions
- 4 Payment at the all day charge is authorised, please see tariff board
- 5 Display the issued ticket in your windscreen

How to '**Check Out**':

- 1 When returning to the car park to leave insert or touch **the same card** to the reader
- 2 Your card will be debited only with the charge for the period you have parked
- 3 A receipt will be issued
- 4 If you do not 'Check Out' the all day rate, shown on the tariff board, will be debited to your card.

Pay & Display - Coin Only
